No Tax Due Certificate

How do I obtain a certificate of no tax due?

A certificate of no tax due can be obtained from the Missouri Department of Revenue for sales/use, withholding, individual income and/or corporation income taxes or any combination of these taxes.

A sales/use tax certificate of no tax due is currently required to renew a liquor license, obtain a fireworks permit or renew or obtain a city business license.

Sections [144.150](#) and [143.241](#) require that before a business contracts to sell all or substantially all of a business, the seller shall request from the Director of Revenue a certificate of no tax due to present to the purchaser prior to the consummation of the sale. Failure to comply shall result in the seller being liable for an additional penalty equal to 25% of the seller's delinquency at the time of sale.

Until a certificate of no tax due is presented the purchaser is required to withhold an amount of the purchase money sufficient to cover the taxes, interest, additions to tax or penalties due and unpaid. If the purchaser fails to withhold the purchase money and remit at the time of purchase all amount so withheld to the director to pay all unpaid taxes, interest, additions to tax and penalties due from the former owner, the purchaser shall be personally liable for the unpaid amounts of the former owner of the business.
