The fence is being installed for reasons determined by myself and I understand all costs to maintain and construct said fence will be my sole responsibility. I also understand if said fence is constructed in a street or utility easement, the Village or utility company has full right to remove portion of fence to obtain access to the site should this become necessary. I also understand any damage done to said fence in the easement area shall be my sole responsibility and I will incur all costs. This permit is valid for one year from date of issuance. If fence is not completed or if changes are made from the original permit a new permit will need to be obtained. Approval of permit does not override home owner association covenants. **ONLY COMPLETED APPLICATIONS WILL BE CONSIDERED FOR APPROVAL**
